WELCOME TO PHOENIX! WELCOME TO THE 12th ANNUAL CALLERLAB CONVENTION!

A WORD FROM CHAIRMAN BOB VAN ANTWERP . . .

As your outgoing CALLERLAB Chairman this year, I urge you to actively participate in the 1985 Convention in Phoenix. The Executive Committee and staff requested and obtained input from you, as a member, as to your priorities in the convention programming aspect.

We have made a concerted effort to provide more opportunities to the Callers' partners for offering input as well as planned activities.

By adjusting our schedule to change one of our banquets in favor of an authentic rodeo and barbecue and the location of our destination city should make this one of our largest and best conventions.

We are offering special sessions by a professional couple on stress which should provide a great incentive for many to attend.

Administratively, many voting items are in the offering and only through member input can we be assured we are giving the proper administrative direction you, as members, are expecting of us as your Executive Committee.

Once again, I strongly urge your participation in our 12th Annual CALLERLAB Convention here in Phoenix!

Respectfully,

Bob Van Antwerp, Chairman
Board of Governors

* * * * * * * *

The theme for 1985 is "MUSIC - OUR GREATEST ALLY". All of our topics this year are naturally geared towards supporting this theme. We have an excellent program planned for your enjoyment and education. As Chairman Bob Van Antwerp stated above, we urge your active participation! This convention was planned using much of the input we received and with YOU in mind! In addition to the committee meetings and special interest sessions, we have also obtained the services of Dr. and Mrs. Jerry Downing for special sessions on "Stress" which we feel certain you will not only find interesting but extremely informative.

NO SMOKING IN ANY OF THE MEETING ROOMS PLEASE!
Since our convention this year is here in Phoenix, we have opted for an authentic rodeo featuring some of "our own", complete with hayride and barbecue. Many of you will also enjoy browsing or shopping in the many little specialty shops along the way! We have attempted to plan something for everyone. Again, we encourage your active participation not only in the important committee work and meetings but in the "fun" activities as well. Enjoy!

Please note that all sessions and/or committee meetings have been planned with start and stop times that will be followed closely. Please try to be on time!
