CONVENTION FLASH

The 'FLASH' issue of DIRECTION is published as soon as possible after the annual convention in order to inform all CALLERLAB members of significant award presentations, committee actions, proposals and resolutions to be voted on by the entire membership.

As a result of actions taken at the 1990 convention, all resolutions proposing changes to established CALLERLAB dance programs must be approved by the entire membership.

Changes proposed at this year's convention are described on the enclosed ballot. We urge you to exercise your voting privilege by returning the completed ballot NO LATER THAN MAY 25, 1992, allowing the results to be printed in the June issue of DIRECTION.

FROM THE CHAIR...

Congratulations to all those callers and partners who attended the 19th annual CALLERLAB Convention in Virginia Beach. Your excitement and energy helped to set the tone for one of the most positive meetings we've had.

There were 25 taped sessions, so for those unable to attend, check through the order blank enclosed with this issue of DIRECTION and consider ordering convention tapes for your local callers associations or for your own use. I think you'll find these sessions informative. One of the greatest benefits of a convention is the professional manner in which callers openly share their knowledge and expertise. Take advantage of this opportunity.

As most of you know, this Flash Issue of DIRECTION is designed to present a quick overview of the convention and to include a ballot for voting on general issues. TAKE THE TIME
TO VOTE. We've all heard skeptics say their vote doesn't matter, but with some of the major changes we've seen in world politics in the last several years, it's obvious that the ballot box is the most effective way to institute change. Take a positive step and show you care. Exercise Your Right To Vote!!!

Our theme this year was SUCCESS BY DESIGN. The members of CALLERLAB have worked hard over the years to provide us with guidelines for calling and teaching. Our good judgement using these guidelines is essential in designing a path to success. Good caller judgement, and enthusiastic leadership style, and a sense of humor will help us succeed in recruiting and retaining more dancers. Let's roll up our sleeves, keep a positive attitude and help to design our success. As Henry Ford once said, "Whether you expect to succeed or fail, you are right!"

1992/93 BOARD OF GOVERNORS AND EXECUTIVE COMMITTEE

The Board of Governors has elected the following members of the Board to serve as the 1992/93 Executive Committee: Mike Seastrom, Chairman of the Board, Jim Mayo, Vice Chairman, Gregg Anderson, Red Bates and Tony Oxendine. George White, the Executive Secretary, also serves on the Executive Committee in a non-voting capacity.

The Board of Governors is responsible for the long-range goals of CALLERLAB, setting the policies and guidelines that determine the overall direction of the organization.

The Executive Committee is responsible for the implementation of the goals and policies set by the Board. They also plan the annual convention and provide guidance for the Home Office. They work very closely with the Executive Secretary to direct the day-to-day operations of the organization.

CONVENTION CRITIQUE SHEETS

Just a reminder -- if you attended Virginia Beach and have not yet turned in your convention
critique sheets, please send them to the Home Office immediately. They will be reviewed by the Executive Committee to assist in planning our 1993 Louisville convention.

BOARD OF GOVERNORS ELECTION

If you would like to be a candidate for the Board of Governors, petitions can be obtained from the Home Office. Your valid petition, a brief biographic sketch and a current photo (suitable for use in the August issue of DIRECTION) must be in the Home Office no later than JULY 15, 1992.

Candidates must have been a full Member for no less than 3 years and currently calling at least once each week.

Nine members will be elected to three year terms on the Board, beginning with the post convention Board of Governors meeting immediately following the 1993 Louisville Convention.

Nineteen valid petitions were submitted at the Virginia Beach Convention. The following individuals have indicated their desire to serve on the Board: Gregg Anderson, Corky Birt, Stan Burdick, Laural Eddy, Kenny Farris, Betsy Getta, Bill Harrison, Bill Heyman, Mike Jacobs, Jerry Junek, Steve Kopman, Ralph Kornegay, Jerry Murray, Keith Rippeto, Bill Stone, John Sybalsky, Grace Wheatley, Norm Wilcox, and Bob Wilson.

1992 CONVENTION TAPES

Convention Tapes International (Steve Davidson & Scott Argow) has taped 25 sessions and, as usual, the tapes are excellent. If you missed a session or two, or were unable to attend this year’s convention, you may order the tapes directly from Convention Tapes International, using the order form included with this issue of DIRECTION. All tapes are of excellent quality and have much to offer you. (Please note that the price for tapes you order directly from Convention Tapes International requires postage and handling fees.)

STANDARD PLUS APPLICATIONS

Jerry Reed, Chairman of the Choreographic Applications Committee, is pleased to announce the completion of his committee’s most recent project, the Standard Plus Applications document. This document describes the most common formations and arrangements from which to teach each of the Plus calls. Callers teaching the Plus Program should find this document a valuable aid for preparing new dancers for integration into club-level dancing. It is now available from the Home Office at a cost of $5.00, postage paid.

LIABILITY INSURANCE UPDATE

Mike Seastrom, Chairman of the Board, is pleased to announce significant changes in the CALLERLAB insurance program.

The 1992/93 Group Liability and Accidental Medical insurance has been placed with A.H. Wohlers & Company of Park Ridge, Illinois. The new policy offers significant improvements over last year’s policy at no additional cost to our members.

Members, Gold Card Members, Subscribers, Associate Licensees and Apprentices, residing in the U.S., are now insured for general liability, bodily injury and property damage claims in the amount of $2,000,000 per occurrence instead of the $1,000,000 limit offered last year. The $100 deductible associated with the accidental medical portion of the policy has been removed and a new procedure for obtaining certificates of insurance or certificates of additional insured has been streamlined.

Members requiring proof of insurance or needing a certificate of additional insured naming a rental facility, may now obtain the necessary certificates directly from the insurance company instead of through the Home Office as was done in the past. Certificates can be obtained by calling the A.H. Wohlers Company at 1-800-323-2106 and asking for Pat Conley. Identify yourself as a member of CALLERLAB and she will issue the certificate after verifying your membership. Certificates are mailed no later than the next business day.

By June 1st we hope to be able to offer this same coverage to our Canadian members. We have received tentative approval and are awaiting a final verification by the carrier. Canadian members are urged to call the Home Office if they are interested in participating in this insurance offering.

Members’ partners are also eligible for this coverage by paying an additional fee. Contact the Home Office for details.

This insurance coverage is also available to CALLERLAB Affiliated Organizations and their non-CALLERLAB members. Contact the Home Office for details.

Additional information will be supplied in the June issue of DIRECTION.
CALLERLAB COMMITTEE CHAIRMEN

The following CALLERLAB members are the designated chairmen of committees. If you wish to serve on a committee, please contact the Home Office. We will notify that chairman for you and see that you are placed on the committee roster.

We have been fortunate, for many years, to have volunteers to help with the registration at the conventions. Bob & Liz Wilson and Jim & Doris Howatt. Thanks to all who put forth a special effort to help during a crisis. Georgi Johnson, our secretary, wishes to give a special thanks to Pat White for taking over her duties at all the meetings and helping George with the secretarial work at the convention. Our sincere thanks to these dedicated hard working people who made life so much easier for all of US.

We also wish to thank those who exhibited their products and services at this year's convention. They were:

COMMITTEE MEMBERSHIP

If you would like to become an active member of any committee(s), please send a written request to the Home Office.

A listing of all standing committees is included with this issue of DIRECTION.

Please note that only full Members are eligible to serve on CALLERLAB committees, however, committee chairmen welcome ideas and suggestions from all callers affiliated with CALLERLAB.

TO BE FOREWARNED!

According to the CALLERLAB Program Policy, adopted at the 1991 convention (see DIRECTION, April 1991 for full text of this policy), the Mainstream and Plus Programs will be considered for possible revision in the Summer of 1993. The Board of Governors has set a long-range goal for the organization of working to equalize the teaching time for each of the Programs. This means adding or deleting calls from every Program, through A2, such that the teaching time will be the same, regardless of the Program.

In light of the above stated direction for the organization, here are some frightening statistics: Of 3,345 callers affiliated with CALLERLAB, 1,919 (57%) are eligible to vote on changes to program lists. Of the 1,919 eligible to vote, only 167 (8.7%) are serving on the Mainstream Committee and 206 (10.7%) on the Plus Committee. THESE COMMITTEES ARE THE COMMITTEES THAT WILL PROPOSE WHAT CALLS WILL BE ADDED OR DELETED FROM THE MAINSTREAM AND PLUS PROGRAMS IN ORDER TO WORK TOWARD EQUALIZED PROGRAMS!!!

ARE YOU CONTENT TO LET LESS THAN 6% OF THE CALLERLAB MEMBERSHIP DECIDE WHAT CALLS YOU WILL BE USING 5–10 YEARS FROM NOW?

Now is the time join a committee and GET ACTIVE! Don't wait until its too late.

P.S. Did you know that 175 members of the Mainstream Quarterly Selection Committee and 159 members of the Plus Quarterly Selection Committee decide which Quarterly Selections you can use? Scary, isn't it?

IT'S NOT TOO LATE TO GET INVOLVED. THE SQUARE DANCE ACTIVITY NEEDS YOUR KNOWLEDGE AND EXPERTISE...
NEW BENEFITS COMING!

Soon to be offered – a comprehensive equipment insurance program for CALLERLAB members. Negotiations are complete. We are awaiting the final brochures from the insurance company. This insurance will cover your calling equipment, computers, stereos, TV sets...anything electronic that you care to include on your policy. All equipment will be insured for replacement value (not depreciated value)... $100 DEDUCTIBLE... ALL RISKS... ANYWHERE IN THE WORLD.

We have secured a rate of $2.00 per hundred, minimum premium of $75 per year for this coverage. Look for complete details in the June issue of DIRECTION. (Sorry, available only to U.S. residents. We are, however, negotiating for our Canadian members, too.)

We are also negotiating with several major car rental companies in order to offer a corporate rate program to our members. We need your input. If you use rental cars and would participate in a corporate rate program, please contact the Home Office so that we may get some idea as to whether or not this is a desired benefit.

NEW! CALLERLAB JACKETS

We have had numerous requests for a lightweight jacket with the CALLERLAB logo. The Home Office now offers a lined or unlined nylon windbreaker with a square bottom, drawstring and snap front closure. The lined jacket has a lightweight (flannel) lining and the unlined jacket is a nylon shell. It is royal blue with a white, 3 inch logo on the front or a 6 inch logo on the back. You may also choose to have the logo on the front and back. The prices are listed on the Sale Items order form included in this issue of DIRECTION. Please be careful to provide all applicable information when ordering the jacket. We would appreciate a check or charge card number with your order.

BELT BUCKLES TOO!

The Home Office also offers a new belt buckle. They are very attractive and are available in two finishes – steel gray (which looks like pewter) and a gold finish. The buckle is shown, actual size, on the back of the Sales Item Order. At $12 for the steel finish or $16 for the gold finish, these buckles are a real bargain (postage is included). Please include a check or charge card number with your order.

MSQS KEEP/DROP BALLOT

The Mainstream Quarterly Selection, TEACUP STROLL, has been a quarterly selection for six (6) months and is now eligible for a keep/drop ballot. The keep/drop ballot has been included with this issue of DIRECTION. This ballot is considered to be a straw ballot and is to be voted on by all members of CALLERLAB.

THANK YOU!

Thank you does not seem adequate enough to tell you how Dar and I (Georgi) feel about the prayers, thoughts and concerns we have felt from so many people in the square and round dance community. As most of you know by now, Dar was very badly burned April 4, but he is doing better than expected and is healing from all his grafts and is now in physical therapy. He has a lot of rehab to go through, but we can deal with that, knowing he is going to be alright. The care he is receiving in the burn unit at St. Paul Ramsey Hospital is absolutely fantastic. Part of his recovery is due to the strength we have received from so many well wishers and Dar's spirit and attitude. He knew he was going to beat this, no matter what anyone else said.

The friendships we have made in the square and round dance community from all over the world, is something we will cherish, always. Like we said, words cannot describe how we feel, so we will simply say, thank you.

With grateful hearts,
Dar and Georgi Johnson

COMMITTEE REPORTS

All committee reports presented in Virginia Beach will be included in the June issue of DIRECTION.

CONVENTION VOLUNTEERS

This includes all of those who served as moderators, panelists, our volunteer registration staff, those that served as MC's, committee chairmen and vice chairmen, our exhibitors, the members of the Executive Committee and the Board of Governors and especially, the attendees.
