WELCOME TO CALLERLAB 18

THEME for CALLERLAB 18 DANCERS - THEIR FUN - OUR FUTURE

On behalf of the Board of Governors, welcome to CALLERLAB 1991 and Las Vegas. We are pleased that you were able to attend and are confident that you will find your time and money well spent. We have an exciting program for you with many sessions for everyone. We recommend that you and your partner (if attending) choose different sessions to attend to maximize your time. Of course, there will be some tough choices to make and for those sessions which seem to be extremely popular with everyone, we have tried to keep conflicts at a minimum.

VOTING PROCEDURES

We call your attention to the voting procedure on Wednesday morning. There will be no votes on any change to any program. In the past, voting to change things has lead to some pressured decisions without a thorough examination of the impact the change might have on other programs. No votes will be taken on definitions or allowable formations for various moves. While there may be some other topics which come up for votes, we will basically have the committee reports and discussions and then take straw votes only in order to make the Convention Flash Issue of Direction more complete for those who were unable to attend. In all cases, appropriate resolutions will be voted on by mail.

SOCIAL HOUR

Officially, we hold a Social Hour on Sunday evening and later conduct an Orientation session. The formal opening ceremonies start on Monday morning at 9:00 AM. Our exhibitors will set up beginning at Noon on Sunday and will be open for your convenience all Sunday afternoon and evening until 11:00 PM. We sincerely hope you take the time to browse and support our exhibitors. They have many fine products and services for your perusal.

All Board members and their partners will be wearing a Red Ribbon with silver lettering which states Board Member. Feel free to stop and chat with them if you desire. There will be an opportunity to meet all members of the Executive Committee in the receiving line during the Social Hour on Sunday night. This is YOUR organization and it is up to you to get involved. Speak up if you have something to say and ask questions if you are not sure. We encourage all of you to participate from the newest apprentice to the oldest member. Your opinions count.

Details of the program begin on the next page.

SPECIAL THANKS

A special thanks to our dedicated Pocono Pines employees: Betty Deane, Barbara Jousse and Carol Neff-Smith who have done such a fantastic job over the years to make your association as great as it is today. They will be leaving as the transition takes place to the new main office in Rochester, MN. If you haven’t already done so, take the time to tell them how much you have appreciated them over the years. They are great gals and truly dedicated to CALLERLAB. They will be sorely missed. The new office staff people are Dar & Georgie Johnson who live (and now work for CALLERLAB) in Rochester, MN. Please make them feel welcome.

George White officially assumes the duties of Executive Secretary at this convention and he will do an excellent job. He has served faithfully as Assistant Executive Secretary for three years and has excellent credentials to meet his obligations. The new address and telephone number for the office:

CALLERLAB
829-3rd Ave SE Suite 215
Rochester, MN 55904
507/288-5121
The 800 number will be changed effective April 1, 1991 and may be used for official business. The number remains 1-800-331-2577.

Also thanks to all of our convention helpers, panelists and volunteers with special thanks to the Jim & Doris Howatt and Bob & Liz Wilson for their years of dedication as registration helpers.

Callers and partners who have helped with this convention include:

Thanks, too, to all of our exhibitors for taking the time to set up and display their products and services. Also a special thanks to Dick Henschel and Hilton Audio Products for their unselfish donation of PA sets and other equipment for our use during this convention. A final thank you to all of you. YOU ARE CALLERLAB.

Last but not least, I would like to thank all of you for the many kind words you have expressed to Freddie and me over the past 15 years. I have been privileged to be your Executive Secretary. Although I am retiring as Executive Secretary, I will continue to serve on the Board of Governors. I am not retiring from calling but just from the position of Executive Secretary. It has been a great opportunity for me and I firmly believe that CALLERLAB has been the best thing to happen to the entire square dance activity. Thank you and we'll see you next year.
