WEDNESDAY BUSINESS MEETING - March 30, 1988

The following are resolutions presented and voted upon at the Wednesday morning closing session. In the interest of conserving space in this issue of DIRECTION, please note that all resolutions that were passed are followed with "MSC".

A ballot (separate enclosure) has been enclosed for those who were unable to attend. Specific directions for voting are stated on it.
COMMUNITY DANCE PROGRAM - Ken Kernen, Chairman

BE IT RESOLVED that the Community Dance Program (CDP) as developed and presented to the 1987 and 1988 CALLERLAB conventions and containing the fundamental elements of square dancing to be taught in six two-four hour sessions, be approved and accepted as a permanent CALLERLAB program. MSC

MAINSTREAM COMMITTEE - Martin Mallard, Chairman

BE IT RESOLVED that the present ruling regarding additions and deletions to the Mainstream program remain in effect. No more than three (3) moves (parent calls) may be added or deleted at any one convention. MSC

BE IT RESOLVED that the sub call "Ring (one couple), #11b of the Split Family (#11) be deleted from the Mainstream program. MSC

BE IT RESOLVED that the sub call "Centers Out", #55b of the Centers' Family (#55) be deleted from the Mainstream program. MSC

BE IT RESOLVED that the call "Curlique" (#64) be deleted from the Mainstream program. MSC

BE IT RESOLVED that the "Tag Family" (#63) be modified to read:

#63 Tag Family
  a. Tag the line
  b. Half tag
  c. Partner tag

BE IT RESOLVED that the CALLERLAB Mainstream Bold Faced/Italicized list be dropped from further consideration. MSC

A motion and several amendments resulted in the following:

The note on the bottom of the Mainstream program will now read as follows:

CALLERLAB recommends that the Mainstream program calls 1-67 be taught in not less than sixty (60) hours. CALLERLAB also recommends you teach from more than just a single position/formation and please remember to teach styling and timing. Calls in italics may be deferred until later in the Mainstream teaching sequence.

BE IT RESOLVED that the call Partner Hinge (#67c) be dropped from the Mainstream program. MSC

It was also proposed that the "Note to dance programmers" on the lower right hand side of the current Mainstream program read as follows:

NOTE TO DANCE PROGRAMMERS

There is NO PROGRAM called Mainstream/Plus program. No dancer is required to know Plus calls to attend a Mainstream open dance. If such calls are used, the caller is to teach them if necessary. Please advertise dance programs as Mainstream or Plus, NOT Mainstream/Plus.

BE IT RESOLVED that the call Chain Down The Line be added to the Mainstream program as part of the Chain Family (#16c). MSC

BE IT RESOLVED that we cease discussion regarding the Mainstream program and refer specific matters to the Mainstream Committee. MSC
In summary, revised Mainstream programs (lists) will be available for bulk distribution -- probably by the time you receive this issue of DIRECTION.

PLUS COMMITTEE - Bill Heyman, Chairman

BE IT RESOLVED that the Plus Committee recommends that the move TRIPLE TRADE be dropped from the Plus program. MSC

BE IT RESOLVED that the Plus Committee recommends that the move EXTEND THE TAG be renamed EXTEND. MSC

Recommendation:

It was felt that there is conflict in call usage and definition between the Plus and Mainstream programs that should be resolved. The Mainstream definition for Ocean Wave is three or more dancers; Mainstream definition of Swing Thru, all who can turn half by the right, all who can turn half by the left -- these definitions clearly permit a swing thru with eight dancers in an ocean wave which in the Plus Program is called Grand Swing Thru. This matter will be referred to appropriate committee(s) for clarification.

Bill Heyman, Chairman of the Plus Committee announced the following calls were selected as Plus Emphasis Calls:

2nd qtr 1988 - Chase Right
3rd qtr 1988 - Diamond Family (Diamond Circulate & Flip The Diamond)
4th qtr 1988 - 3/4 Tag the line
1st qtr 1988 - To be determined by committee vote

BE IT RESOLVED that we cease discussion on the Plus Program and go on down the proposed agenda. MSC

THE PLAN: OPTIONAL TEACHING SEQUENCE FOR PLUS DESTINATION - Red Bates, Chairman

A discussion followed on the experimental program designed and implemented on a temporary basis for evaluation in Reno. This temporary program was the combined Mainstream and Plus 25 Week Learn to Dance Program. The result of the discussion and vote was that no further efforts on this plan would be made.

The bottom line results of all of the changes to the Community Dance Program (CDP), Mainstream, Plus and the two experimental programs of the Mainstream Bold Faced/ Italic and the Combined Mainstream and Plus 25 Week Learn to Dance Program have been decided. The CDP, Basic, Mainstream and Plus Programs have survived with changes. The next program is the Advanced Program with separate A-1 and A-2 Programs within the Advanced Program. C-1 and C-2 complete the formally recognized programs by CALLERLAB. Of course there are the recognized segments of Contra and Traditional Dancing as well.

TIMING COMMITTEE - Bob Wilson, Chairman

BE IT RESOLVED that CALLERLAB adopt the timing of the following calls to be added to the Advanced program:

<table>
<thead>
<tr>
<th>Call</th>
<th>Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Split Square Chain Thru</td>
<td>12</td>
</tr>
<tr>
<td>Diamond Chain Thru</td>
<td>10</td>
</tr>
<tr>
<td>Grand Quarter Thru</td>
<td>5</td>
</tr>
<tr>
<td>Grand Three Quarter Thru</td>
<td>8</td>
</tr>
<tr>
<td>Transfer and (Anything)</td>
<td>8*</td>
</tr>
</tbody>
</table>

*Anything call starts after count 4 for the Center Box. MSC
BE IT RESOLVED the timing of the complete Advanced program timing list as approved on a one (1) year trial basis at the 1987 convention be adopted on a permanent basis. MSC

AREA REPRESENTATIVE COMMITTEE - Keith Rippeto, Chairman

The Area Representative Committee recommends to the CALLERLAB Board of Governors that CALLERLAB adopt a priority topic for discussion at the 1989 convention - "Recruitment of New Dancers".

OVERSEAS MINI-LAB

Mike Seastrom advised of the proposed overseas Mini-Lab to be held in Australia, June 12-14, 1990 and stated that plans were proceeding well. It has been decided that those callers from overseas who attend this type of convention will be eligible to meet the convention attendance requirements.

A straw poll indicated that those in attendance in Reno felt that callers attending who resides in North America would also be eligible to meet these attendance requirements.

A slight modification will be required to our current By-Laws to permit the same. The procedure which will be followed is that a select sub-committee will recommend a change in the By-Laws which will be voted upon by the Executive Committee and the ratified or rejected by the Board. In Nashville, the full membership will have an opportunity to ratify or reject the actions of the Board on all By-Laws changes.

Chairman McMillan

Chairman of the Board, Darryl McMillan, thanked all those in attendance for their active participation and encouraged that all callers drop the word "I" from their vocabulary when speaking about CALLERLAB and use the word "WE".

It is hoped that all of those unable to attend will utilize the ballot included with their mailing of this issue of DIRECTION and exercise their privilege to vote.

Ballot Voting

Please note: The ballot is being sent out to all Members and Subscribers who did not attend the convention in Reno, NV this year. The Board of Governors has extended the right to vote on matters of this type to those callers who are subscribers. (This will also require a By-Laws change and will be handled in a similar manner as the one above dealing with an overseas Mini-Lab. The CALLERLAB policies allow for all convention items to be voted upon by the membership of CALLERLAB. If 2/3 of those not attending the convention vote disagreement on any item, that item must be scheduled for discussion at the next scheduled convention.

There were several other items brought before the floor for votes. In all cases, the motions, except those noted herein, were defeated and therefore are not reported with this issue of DIRECTION. All Committee Chairmen are reminded to have their committee reports turned in to the office no later than May 1, 1988 so that we may prepare the June issue of DIRECTION along with the new rosters. If you had an error in last year's roster, please send the correction to us at this time so that we can include the change with the 1988-89 roster we publish in June.

Lastly, if your dues are not yet paid, please send them in right away since you are now delinquent. Dues which are not paid within 60 days will result in the member, subscriber, apprentice or associate being dropped from the roster.
