Mike Jacobs, Chairman, presented the following speech during the Banquet Tuesday evening at the 2003 CALLERLAB convention.

Unlike a lot of you, I am a second generation American. My grandfather came here from Armenia, escaping the massacres of the Turkish pogroms in the early 1900's. He made his way thru a number of countries finally crossing into the United States. And like many other destitute immigrants of that time he settled into a ghetto.

We have an image of that word, of someplace sordid and destitute, but it really had a different origin. It is an Italian word from the 1200's and it was used to describe an area in which the Jews were allowed to live with their own laws and customs intact. It was not a place of horror to escape from but a place of comfort to seek out. The outside world was unpredictable; inside the ghetto was safety, predictability.

All of Square Dancing is in a ghetto. We have a set program of calls and definitions, pre-set routines of rounds and star tips, a rigid expectation of who will attend, what they will wear, how much they will pay, and even what time the refreshments will be. In our ghetto, we are protected from dealing with the scary real world that might make different demands of us, especially those of us who are entertainers. They might only want an hour, or once a month, or different clothes, or different music. A few of our colleagues even dare to venture out of the ghetto and, despite their tales of good money, rewarding work, and large numbers, very few of our callers are willing to risk the predictability of staying with our ghetto.
My grandfather died in his ghetto; my father escaped only because of the army and World War II. My daughter sits in the audience tonight, attending her first CALLERLAB Convention as a caller. Her choice is like her great grandfather’s; to leave or stay in her ghetto.

In the hit musical, The Producers, there is a song called, We Can Do It, where a reluctant character is asked, “Don’t you want to stop being a caterpillar and become a butterfly and flap your wings to glory.”

We can save Dancing. We Can Do It, because we have no option for failure; it is unacceptable.

We Can Do It, because it is the right thing to do. We have been the right activity for millions across the years. Being the world’s best kept secret is not the right approach to something that has so much to give.

We Can Do It, because we have example after example of Winning Ways that show where effort is given, results occur. We Can Do It; we can stop hiding behind definitions and become the entertainers we can be.

We Can Do It as the song says and make our dreams come true. Lets leave the ghetto and take square dancing to the world.

CONVENTION REPORT

RESULTS OF BYLAWS CHANGE VOTE

The 2003 CALLERLAB Call to Convention in the January/February 2003 issue of DIRECTION announced the Board of Governors had approved a bylaws change which would reduce the number of dance events required to obtain and maintain active (voting) member category. During the 2003 CALLERLAB Convention an interest session (CTI tape number 20) was scheduled to provide those attending the opportunity to present both sides of the issue, and for the attendees to join the discussion.

The motion to change the bylaws was presented to the membership during the 2003 Annual Meeting on Wednesday. The motion was amended and the motion printed below was approved by the membership at the meeting. The discussion of the change, amendments, and the approved motion is available on CTI tapes number 34A and 34B.

**MOTION:** Be it resolved: That the definition of “Active” in Article II Section 1. (A)(1) be changed to read, “Active is defined as calling at least 12 dance sessions per year during the previous three years.”

Eligible Members are provided a ballot asking whether this motion should be rescinded. Ballots Must be returned to the CALLERLAB Office no later than July 7, 2003.

A total of 1664 BMI/ASCAP licenses were issued; 875 for less than 50 dances a year and 766 for over 50 dances per year. We had a total of 23 members licensed to teach Country Western dances outside the square dance activity.

2002 FINANCE REPORT

The corporation ended the 2002 fiscal year (November 30, 2002) with total assets $65,539.77 including cash assets of $55,381.69. This is a net gain of $5,552.89 from 2001. Our largest ongoing expense (other than salaries) remains printing and mailing costs. We continued to utilize in-house printing capabilities which have significantly reduced our printing costs. We continue to look for ways to decrease these costs including increased use of the Internet. We have implemented a system for the Electronic Distribution of DIRECTION, The CD Journal, and the Electronic News Service. The treasures report will be filed and a copy of the report is attached to the minutes of the annual meeting.
CODE OF ETHICS

Your Board of Governors has approved a revision to the CALLERLAB Code of Ethics. This revision concerns the use of copyrighted music and our commitment to the producers and artists who provide us with the music we use. The revision consists of the following addition to the code:

9. I will only perform music which has been obtained in a manner which properly and completely compensates the artists and producers responsible for its creation. I will not enable others to use copies of my music while I still retain my ownership.

LOST MEMBERS

Mail sent to the following member/s has been returned to the Home Office: Mike McHenry, Tulsa, OK; Spike Reed, Washington. Also, mail to the publication, MSRDA of Mississippi and one of our affiliates, the Santa Clara Valley Square Dance Callers Association has been returned undeliverable. If you have any knowledge of their whereabouts, or know of someone that might have a current address for them, please contact the Home Office. Thank you.

AWARD PRESENTATIONS

MILESTONE AWARDS

The Milestone Award is the highest honor CALLERLAB can bestow. It is presented to individuals who have met the five point criteria in the field of square dancing and have been selected by representatives of the membership to be honored in this way. These five points are:

1. The recipient must have worked in UNCHARTERED FIELDS.
2. The individual's contributions to the activity must have STOOD THE TEST OF TIME.
3. These contributions must have been UNSELFISH.
4. In the course of making these contributions, the recipient must have displayed true LEADERSHIP and PROFESSIONALISM.
5. Finally, the recipient's work must have had a BROAD INFLUENCE on the activity.

The most prestigious award CALLERLAB can bestow on an individual is the Milestone. It is presented to callers that have made significant contributions to the square dance activity. During the 2003 CALLERLAB convention we had one Milestone recipient, this candidate certainly meets all of these requirements.

(Continued on page 4)
year it was implemented. The program returned scrapped vehicles to use by using recycled parts. President Jimmy Carter sent our person a letter recognizing this accomplishment.

While doing all this other work, our caller also continued his square dance involvement, becoming a permanent staff member and then a director of the Kentucky Dance Institute. This dance week covers square, round, contra, folk, and other related dance forms and has reached teachers and future teachers throughout its program. I attended this dance camp myself for some years with my parents.

Our subject also has worked to perfect his calling throughout his career. Some experienced callers will get into a routine and not look to change or improve. This caller took feedback and expanded his horizons throughout his career. As previously mentioned, when he started calling Contras, the caller taped his performance and got critiques from Doe Graham. Later, as an experienced caller, he consulted with Mike Jacobs, whom he had taught to dance, about calling the Advanced program. This shows a true love of the activity, since many experienced callers would not be humble enough to consult with a “newer” caller.

In 1991, our subject, along with David Lewis, founded the Kentucky Dance Foundation with the goals of preserving square and folk dance music and dances for the future. The Foundation has as some of its goals:

To perpetuate the art of folk dancing in its many forms,

To preserve, encourage, and extend the arts and skills of folk dancing, square dancing, round dancing, line dancing, clogging, etc.,

To preserve the art of teaching dance in recreational and educational fields, To publish books, articles, pamphlets, teaching aids, etc.

To produce recordings, transcriptions, tapes and videos as may be needed by all means known now or developed in the future.

To conduct and promote educational institutes, conferences and workshops for the promotion of the foundation’s activities...

The Foundation acquired the Folk Dancer Label, copyrights and inventory from the estate of Michael Herman who was the originator of this record label. This was music for international folk dancing, traditional squares, and contra dancing which had been collected over many years from all over the world. After acquiring the inventory and copyrights, the major work began. First, our subject got a building (40 x 80 feet) built to house the records. He, along with his wife, sorted and shelved 71,000 pounds of phonograph records. Then the records were catalogued in the computer. Working for over 2 ½ years, our caller has digitally recorded the music on the hard drive and converted the records to CD's. In 2001, he received the National Dance Award from San Antonio College for this work.

Our caller has supported square dancing throughout his career. I have already mentioned his working with callers’ associations. In addition to that work, our subject joined CALLERLAB in 1975, served 4 years on the CALLERLAB Board of Governors, and served 7 years as Chairman of the Contra and Traditional Committee. He has attended and called at 36 National Square Dance Conventions, served 3 years on the Board of Governors of CONTRALAB and 2 years as Chairman of the Board of CONTRALAB. He is a member of the National Teachers Association of Line and Country Western, the Lloyd Shaw Foundation, and the National Folk Dance Society. In addition to all of this activity, he has developed a self-paced program, How to Prompt Contra" for CONTRALAB, produced videotapes on how to dance, and written 4 books on subjects varying from teaching square dancing for grades 4 to 7, to contra calling.

In addition to his work with the Kentucky Dance Institute (which celebrates 50 years this year), our caller is on the staff of the York Contra Dance weekend, teaches (along with his wife) Elderhostles for the University of Kentucky and serves on the staff of many dance camps. He and his wife, Kathie, teach 3 line dance classes each week, a Community Dance program on the 3rd Sunday of the month, and he teaches a square dance class for 4-H children in his hometown. A recent biography says that he is retired. Obviously that is not from the dance activity.

Ladies and gentlemen, I am honored to present this Milestone Award to Stew Shacktette.

APPRECIATION AWARDS

The Appreciation Award is presented to recognize CALLERLAB members who have given unselfishly of their time, energy, and knowledge in support of CALLERLAB committee work, convention assistance, or significant CALLERLAB programs.

Volunteers are true angels when it comes to helping get things done. Last year in Richmond we had two volunteers who gave their time to help the Home Office Staff with making the convention happen: Kathy Davenport and Bob Jones.

CALLERLAB and the Foundation had a vendor booth at the 51st National Square Dance Convention in St. Paul, MN. The Home Office manned the booth with four people, including Georgi and Dar Johnson formerly of the Home Office in Rochester, MN. We had requested members attending the convention to help if they were attending the convention. Several members did stop in at the booth to help. They are: Bill Harrison, Deborah Carroll-Jones, Jon Jones, Tim Crawford, Tim Marriner, Betsy and Roy Gotta, and Tom Miller.

Much of the work of CALLERLAB is done by our committees. Dedicated Committee Chairmen and Vice Chairmen are the people who make it happen with the committee structure. Your Executive Committee has approved presenting Appreciation Awards to outgoing Committee Chairmen and Vice Chairmen:

- Elmer Claycomb, Chr Choreographic Applications
- Larry Cole-Ethics Committee
- Larry Cole - Board Book Committee
- Walt Cooley, Chr MSQS Committee

This award was presented to Calvin Campbell for his hard work and outstanding support of square dancing through the Beginner Party Leaders Seminars. The seminars have provided the means to present skills and material which can be used to introduce square dancing to non-dancers.

BEGINNER PARTY SEMINAR

The Committee for Community Dance (CCD) (Calvin Campbell, Chairman) conducted a Beginner Party Leader Seminar on Saturday and Sunday, April 12 and 13, 2003 prior to the CALLERLAB convention in San Antonio. 61 people attended, including several non-callas, callers, spouses/partners and staff members. Those attending shared information, dances, and experiences about Beginner Parties. Additional Beginner Party Leaders Seminars will be held prior to future CALLERLAB conventions. The seminar subjects will be tailored to meet the needs of leaders who have no experience in calling, prompting, or cueing. The seminar will begin on Saturday and will continue Sunday morning. The chairman of the CCD will work with the CALLERLAB Executive Committee to obtain funding for advertising to the Recreation Departments and the Educational community.

CALLERLAB MEMBERSHIP ROSTER

The Executive Committee has determined that, in order to hold down printing and postage costs, a membership roster will not be automatically distributed to all members this year. The cost of printing and mailing a roster to our entire membership is well over $3,000.

If you have moved in the past year, or have any changes to the information in the roster, notify the Home Office immediately. We plan to print the roster for the 2003/2004 membership year in June 2003.

New members who have not yet received a roster or members requiring an updated roster should order one from the Home Office. FOR ORDERS AFTER MAY 30TH THERE WILL BE A CHARGE OF $5.00. Orders will be accepted via phone (800-331-2577), U.S. Mail, Email (CALLERLAB@aol.com), or FAX (321-639-0851). The Home Office will print enough rosters to fill those orders plus a small supply for occasional requests. Orders should indicate if you will accept electronic (E-Mail) mailing of the roster in a .pdf file.

COUNTRY WESTERN DANCE LICENSE

The Home Office has received several phone calls from CW and line dance teachers that were told by callers that they could purchase a BMI/ASCAP license through CALLERLAB. Please be advised that CALLERLAB only provides BMI/ASCAP licenses for square dance callers. Our bylaws specify that you must be a square dance caller in order to be a member of CALLERLAB. We cannot accept CW and line dance teachers as members unless they are also square dance callers. Our agreement with BMI and ASCAP states that we can only supply music licenses for our members.
COMMITTEE MEMBERSHIP

Many CALLERLAB committees need your help! Here’s your chance to get involved with the internal workings of CALLERLAB. Use your knowledge and expertise to help a committee make the right decision. Make your opinions count by taking an active part in committee actions. Remember, under the bylaws, all members who have been calling over 3 years may serve on committees and vote on committee business. Please call the Home Office for information or to join one or more committees.

Please refer to the attached committee list, and keep in mind some committees have specific criteria to join. We plan to put committee information on the CALLERLAB website: www.callerlab.org.

CALLER-COACH
CONGRATULATIONS!

Accreditation as a Certified Caller-Coach is the highest achievement a caller can reach with the exception of the Milestone. In the past year the Caller-Coach Committee has installed one caller to the ranks of Accredited Caller-Coach status. Please join with CALLERLAB in recognizing Jeannette in her success in attaining her goal to become a CALLERLAB Accredited Caller-Coaches. Congratulations and best wishes.

If you have any information or interest in being a mentor for a new partner, please let me know. I will be making contact with Betty and Clancy Mueller. Our guest speaker was Jim Wass, acting as a facilitator, brought out the best of us in our roles as Caller's Partners. Jim had us list where our proficiencies would be applied in the different committees of CALLERLAB. Partners will be attending the sessions of interest to the partner, it will give the partner a taste of the committee. Those committees of a technical aspects of calling were not considered. An introduction and hands-on trial of CPR was done using Resuci-Annie (a CPR mannequin). Dave Sutter was our instructor. Please remember "The life you save may be your partner and more than likely someone you know". We recommend a follow-up visit to your American Red Cross Office or American Heart Association for certification in CPR and first aide.

The Partner's Committee was very fortunate to have Gail Gordon, a clinical psychologist, present an interesting look into ourselves. Gail's questions; Where we are? where do we want to go?; and, how we want to get there?, gave us pause to stop and think. This was a fun and a very candid session. The Partners Committee anticipates a repeat of this session, with Gail, in 2004. We can then take a look at those decisions and see what we accomplished during the year. This session should prove to be quite interesting.

Mark your calendars for RENO.

Caller School

Oklahoma City, Oklahoma
June 21, 2003

SPONSORED BY
The Foundation For
The Preservation and Promotion Of Square Dancing

For many years callers have wished that they could combine a first class caller school with their trip to the National Square Dance Convention (NSDC). The first opportunity for this wish to be answered was in June 2002, when the Foundation sponsored a school in St. Paul, MN. The Foundation with the encouragement of the National Executive Committee made available a school staffed with CALLERLAB Accredited Caller Coaches to be held in the days prior to the NSDC. Callers can now combine a trip to the “National” with the best available caller training.

This school not only offers convenience for the caller-students; it also helps fund the promotional work of The Foundation, a non-profit organization for the preservation and promotion of square dancing. All the profits from the school will be used by this non-profit, tax-exempt organization in support of The Phoenix Plan, a marketing plan for rebuilding the popularity of square dancing. This plan has already received more than $50,000 from the Foundation and is actively pursuing market research and promotional work on behalf of square and round dancing.

The Foundation and CALLERLAB, urge dancer and caller associations and clubs to sponsor callers at this school. A donation of $500 will allow a caller and partner of your choice to attend this outstanding school. The caller you sponsor, along with his/her partner, will study with some of the best available caller coaches learning the latest techniques for entertaining today’s dancers. You can help square dancing, your association or club and the caller you sponsor all with the same donation.

The school will be held in the Holiday Inn, Oklahoma City beginning on Saturday June 21 and ending on Wednesday June 25, 2003.

Your Donation Helps Square Dancing!

THE CALLERLAB BOARD OF GOVERNORS
CODE OF ETHICS
(Revised April 16, 2003)

Code: The professional caller must wholeheartedly subscribe to the established standards of relationships to accomplish the declared purpose and objective of callers in the square dance profession.

I ACKNOWLEDGE:

1. That I have an obligation to the dancers; therefore, I shall provide information, instruction and leadership to enable and encourage the dancer to develop to his/her full potential so that he/she may derive the maximum satisfaction and pleasure from the activity.

2. That I have an obligation to the club organizations; therefore, I shall participate in the development and maintenance of a sound and respected club organization, and shall endeavor to discharge this obligation to the best of my ability and to advise them wisely and honestly.

3. That I have an obligation to the profession; therefore, I shall respect the dignity of the leaders, teachers and callers as persons, and shall maintain a good reputation for personal integrity.

4. That I have an obligation to the activity as a whole; therefore, in my personal, business and social contacts, I shall be conscious of its heritage and its future, and conduct myself accordingly.

5. That I have an obligation to continue to work for professional growth, to adhere to uniform nomenclature, to learn, to lead and to contribute to the total square dance movement to the maximum of my ability.

6. That I have an obligation to all associations dealing with the activity: therefore, I shall promote a spirit of cooperation between the various elements of the association.

7. I will conduct myself at dances in a responsible manner that would not shame other callers in the profession. This includes: (1) Making every reasonable effort to arrive at calling engagements early enough that the dance will begin on time; (2) Refraining from using language in bad taste or telling jokes that may be embarrassing to the dancers, or calling under the influence of alcohol or any controlled substance (drugs); and (3) Staying within the guidelines of the advertised dance program without variances.

8. Except in extreme emergencies, I will honor all contracts I sign. Meaning: (1) I will fulfill all items in the contract; (2) I will not cancel any contract if that cancellation causes a hardship on the sponsoring group. This includes giving sufficient and adequate notice of any cancellation that may be absolutely necessary; (3) I will not send a replacement caller unless this is first approved with the contracting group; and (4) I will conduct my financial affairs within the square dance activity in a responsible manner. This includes paying my debts on time, or making acceptable arrangements if unable to pay on time.

9. I will only perform music which has been obtained in a manner which properly and completely compensates the artists and producers responsible for its creation. I will not enable others to use copies of my music while I still retain my ownership.

I accept these obligations as a personal responsibility and solemn pledge, both in spirit and in fact, in a manner consistent with the highest standard of professional services as a member of CALLERLAB - The International Association of Square Dance Callers. I shall discharge these obligations and dedicate myself to that end.
