CALLERLAB and CALLERLAB Foundation

Subject: CALLERLAB and CALLERLAB Foundation Education Funds

CALLERLAB and The CALLERLAB Foundation believe that caller education is one of the most important aspects of the support they provide to square dancing.

The CALLERLAB Mission Statement reads, in part:

“As a professional organization, drawn together by our love of the activity, we work to serve square dancing and associated dance forms by providing professional leadership, educational materials, and a common means for exchanging communications through a central office and a yearly international convention.”

The CALLERLAB Foundation Mission Statement reads, in part:

“The mission of the CALLERLAB Foundation is to preserve and promote the folk art of American square dancing and related dance forms.”

Both organizations believe strongly that caller education through publication of caller training materials and documents, the CALLERLAB Accredited Caller-Coach program, CALLERLAB convention interest/educational sessions, grant programs, and scholarship funds are vital to the furtherance of the goal of enhancing caller education and dancers enjoyment and retention.

CALLERLAB and The Foundation manage grant and education funds which are intended to provide financial assistance to callers seeking to further their education through attendance at a recognized caller training school and who would not otherwise be able to attend.

The attached material and application form provides information about the scholarship funds administered by CALLERLAB and the Foundation. Completed applications are to be returned to:

David Krediet Scholarship Fund

(Revised November 6, 2006)

Purpose of Fund:

In accordance with the heart of David Krediet and the wishes of his family, proceeds from this scholarship fund will be used exclusively for disbursement to callers on a scholarship award basis.

Fund Disbursements:

Scholarships shall be awarded based on the following priorities: Calling experience, previous training, need, and intentions. This fund shall be administered by the CALLERLAB Foundation Executive Directors (FED).

In David's short calling career, he came to recognize the need that he and other new callers have to gain the experience of structured caller training through attendance at a caller school. Therefore, priority in award selection shall be given to newer callers who have not yet attended a caller school, or who have been calling less than five years at the time of application. However, this is not meant to limit applicants only to those who have been calling less than five years. Any caller, or aspiring caller can apply. In the event that no newer callers have applied, an experienced caller can receive an award after consideration of all other factors listed above.

No single award shall exceed 75% of the combined cost of tuition and room and board, if room and board are a normal part of the cost of the school and only if the participant takes advantage of the room and board. Otherwise, no single award shall exceed 75% of the tuition cost. No award shall exceed \$200.

In the event that a husband/wife or other "team" of callers, both of whom are paying for the caller school, should apply, any award given the "team" shall not exceed \$400 in total. The award shall not exceed 75% of combined tuition cost, and room and board cost, if applicable

The school to be attended must include at least one CALLERLAB Accredited Caller-Coach on the staff and the school must offer the full 40 hour CALLERLAB Caller School Curriculum.

Applicants must complete the enclosed application form in its present or later amended form. Applications will be accepted at the CALLERLAB Home Office until May 1st of each award year. All applications received by May 1st will be considered by the CALLERLAB Foundation Executive Directors (FED). Applications received after May 1st may not be considered. Each applicant must submit a written essay. This essay must include: 1) brief history of dancing & calling experience, 2) history of past caller training, including list of schools, 3) statement of need: 4) and a statement of intention. Those callers who have been calling less than five years and have not yet attended a caller school shall be given priority in the selection process.

No single individual shall receive more than one scholarship award from this Fund. No husband/wife or other "team" shall receive more than one scholarship award from this Fund, considered jointly or severally. Approval of an application by a caller or "team" who has received another scholarship through CALLERLAB or the CALLERLAB Foundation will not normally be approved except for exceptional circumstances as determined by the FED.

The CALLERLAB Foundation Executive Directors shall review each application and may award additional grants as deemed appropriate by the circumstances of the application.
