CALLERLAB has signed an agreement with BMI and ASCAP which allows CALLERLAB to issue music licenses to square dance callers for the performance of copyrighted music at square/contra dances and related events.

I hereby apply to CALLERLAB for a BMI and ASCAP license to perform copyrighted music.

I understand that this license allows me to perform copyrighted music when conducting square dances, round dances, clogging, contra and traditional dances. It also allows me to perform copyrighted music when conducting country western, couple and/or line dances as long as they are conducted in conjunction with a square/contra dance event. I affirm that I am a square dance caller and I am not seeking this license to conduct any dance type other than stated above.

I understand that the purchase of this license does not entitle me to any of the benefits afforded by regular CALLERLAB membership.
