

Presented by Jerry Helt

WHO'S ON FIRST

By Dan & Madeline Allen

Larkspur, California

- A. The first couple passes thru the set and turns individually in No. 3 position. At the same time, the third couple divides and with the others in the set moves one place away from No. 3 position and toward the No. 1 position.
- B. The ones in the No. 2 position pass thru across the set, and turn individually in No. 4 position. At the same time, the fourth couple divide and with the others moves one place away from No. 4 position and toward the No. 2 position.
- C. The ones in No.3 position pass thru the set and turns individually in No. 1 position. At the same time, the number one couple divides and with the others in the set moves one place away from No. 1 position and towards the No. 3 position.
- D. The ones in No. 4 position pass thru the set and turns individually in No. 2 position. At the same time, the second couple divide and with the others moves one place away from No. 2 position and toward the No. 4 position.

Complete sequence in A-B-C-D; three times and all couples will be back to home position.
